The Killer Guppies are based in sunny Long Beach, California. We are a fun-loving team with a competitive spirit, and at the same time a competitive team with a fun-loving spirit. The Killer Guppies started in 1999 and we're still recognized as a team where anybody and everybody can fit in. We look forward to competing in a new race environment at the inaugural San Diego Dragon Boat Race. When you hear our chant of "Killer Guppies, Kill, Kill, Kill!" don't be too frightened, we'll still be your friends when we're off the water. <http://killerguppies.org/>
